I. Approval of Minutes

The minutes from the September 9, 2008 were amended to read last page, **October 14, 2008** at the **State Capitol, room 210**. The minutes were approved as amended by **Bob Clark** and seconded by **Dave Grierson**. The motion passed unanimously.

II. Aquatic Invasive Species Management Plan – Larry Dalton (DWR)

Larry, reported the Plan's purpose is to develop and document a program to be implemented for AIS Management within Utah. The goal is to keep AIS out or contained. Please see attached power point presentation for further information.

III. Reports from Agencies on Any Anticipated Projects

Susan Zarekarizi, State Parks, introduced **Judy Edwards, PLPCO**, who is replacing **Jonathan Jemming**, Jonny took a position in Alaska. **Judy** worked for the Governor's Office of Planning and Budget seven or eight years ago. **Judy** introduced

Kelly Beck who replaced **Lori Hunsaker** has been working with Trust Lands for the last five or six years in archaeology permitting. **Lori** is now working for the Division of State History.

Susan White, DOGM, reported a small abandoned mine closure project in the Grand Stair Case National Monument could start within the next 2 weeks. A drilling project in Coalville (Nibble and Clink) is open for bids now. It's to locate where to place grout to stop subsidence from an abandoned mine drift which has opened up in a trailer park in Coalville. The public notice for Geneva's Point of the Mountain Pit (M0350026) large mine permit is out for public comment.

Ron Daniels, Office of Energy Advisor, mentioned he has been working with the Compressed Natural Gas Task Force.

Bill Schlotthauer, Division of Water Rights, reported the comment period for proposed rule R655-16 has been extended to Monday, November 3, 2008. The proposed rule can be found on the Division of Administrative Rules website under Utah State Bulletin, August 1, 2008.

Lori Hunsaker, State History, reported she has been working with the BLM on the Nine Mile Canyon, and a advisory council for the West Tavaputs EIS.

Rebecka Stromness, UDOT, reported projects out for review Mountain View Corridor and the Salt Lake County Interchange.

Judy Edwards, PLPCO, reported the five BLM plans are completed. Monticello and the Oil Shale EIS will be completed by November 4, 2008.

Susan Zarekarizi, State Parks, mentioned there are two priority items on the RDCC listing project #'s 9698, 9697 (U.S. Magnesium Site). Comments are due October 20, 2008.

IV. Adjournment

The meeting adjourned at approximately 10:08 am, the next meeting will be held **November 18, 2008** at the **Department of Natural Resources, room 1060**.
